EDUCATION

All members are automatically enrolled in the Community College of The Air Force (CCAF) upon completion of Basic Military Training. The CCAF awards Associates of Applied Science degrees in over 66 technical fields and is regionally accredited.

The Montgomery GI Bill is available at no cost to the member. It provides monthly cash for students who take at least 12 semester hours to assist with educational costs. Students who take less hours will receive an amount based on course load. That money is tax-free and paid directly to the member.

BENEFITS

Serve part-time, close to home – with more than 140 Air National Guard units, you can serve where you live, one weekend a month, and two weeks a year. You will receive a drill paycheck for the training that you have completed. You'll also receive a salary that includes base pay, house allowance and food allowance every time you are on active duty orders. The amount you receive is determined by your pay grade and time in service.

Shopping - Member gain access to Base Exchange and Commissary access. It allows for unlimited shopping privileges for Air Guard members and their dependents tax-free.

Health Insurance - Air Guard members can receive medical and dental insurance Tri-Care Reserve Select for themselves and their families. Low-cost dental insurance is also available.

Life Insurance - Service Group Life Insurance (SGLI) coverage is available up to a maximum of \$400,000.

Retirement - Air Guard members have the option of investing for retirement through the Thrift Savings Plan (TSP) and career Guard members are eligible for a retirement pension.

Space Available Travel - Service members and their families may also use Space Available Flights to travel around the country and world at little to no cost.

CHOOSE YOUR CAREER

Ever dream of working on a top secret assignment? How about airborne avionics, or even space technology? Let us open doors for you. You'll gain the valuable cutting-edge abilities essential for competing in today's job market. We also offer nearly 200 career specialties to give you the high-tech skills you'll need to launch or accelerate your civilian career.

GET AHEAD WITH THE GUARD

Colleagues and prospective employers know you have the integrity and discipline that the military instills when you serve your community as a member of the Air Guard. You'll also be helping the people in your neighborhood when they need you the most, while serving your country with honor and pride.

ADVENTURE

In the Air National Guard, you can be almost anything, but you'll never be bored. Whether you dream of a rewarding career in the medical field or you seek the thrill of parachuting out the back of a C-130 aircraft, you'll find the adventure of a lifetime in the Air Guard.

In the Air Guard, you'll begin a military career that can take you wherever you choose. At the same time, you'll build a resume and gain experience that will put you head and shoulders above your peers in your civilian life.

TRAINING

You'll receive world-class training in the Air Guard that can prepare you for new opportunities in your civilian life. It can give you a real competitive edge in the job market, or can help you advance in your current career. And since you'll get up to 100% college tuition reimbursement, you can attend school without the worry - just one of the many benefits of joining the Air Guard.
