

Eligibility Determination Worksheet

Complete this questionnaire to determine your eligibility and waiver requirements, if any. Validate your commander supports and recommends you for a commission and have them review, sign, and date this form. Submit this form with your Source Documents Packet. If you require a waiver you must submit this form for with the Waiver Packet as well. If you are ineligible you must check the “waiver required” block and initiate a waiver. Reference the AD OTS PA chapter 4 for waiver processing. Only create a waiver packet for a waiver requiring a memo.

Statement of Understanding

Initial only one of the following statements:

	I understand, based on the above marked items, I am ineligible to apply for a commission and I am asking the waiver granting authority/authorities to waive my ineligibility in order for my application to meet the OTS board. I understand if I have multiple waivers, disapproval of any one waiver will stop the processing of my application. I further understand that any waiver granting authority in the processing chain may disapprove a waiver request.
--	---

	I do not require any waivers to be submitted to apply to the OTS board. I also certify I validated my eligibility with all governing AFIs, AFMANs, and published guidance in order to qualify to submit an application to meet the OTS board.
