MEMORANDUM FOR SEE DISTRIBUTION

FROM: Holm Center/CC

SUBJECT: Holm Center FY21 Class Dates – Amendment 1

1. Updates to the Holm Center class dates for the FY21 Air University Programming and Production Schedule are outlined below. Based on recent discussions with both line and direct commission functional communities, the class start and graduation dates for OTS and OTS-Abbreviated class have been modified to more effectively accommodate trainees.

2. For OTS courses, the listed class Start Date is the first training day, with reporting required between 0900 and 1200, so most students should travel on the day prior to the Start Date. Students are authorized lodging per the Joint Travel regulations. Only current reporting instructions should be used. They can be found at: <https://www.airuniversity.af.edu/Holm-Center/OTS/>.
